

Joel Colthart

A D
You said that you're the truth, that you give life
F#m D
The only way, through to the father
A D
God's beloved Son, the chosen one
F#m D
To bring freedom, on earth the Fathers kingdom

A
Only you who can make the blind man see
D
Only you who can set the captives free
F#m D
Your still God who can do the same for me
A
One King that will bow every knee
D
One truth and light in history
F#m D
One way, that was made for me

They said You're just a man, not the Son of God
How can You forgive, and they split You from Your Father
But that was all Gods plan, for the Son of Man
To forgive all sin, and make the only way

F#m D
You made the only way, made the only way for me
F#m D
Made the only way, the only way
F#m D
You made the only way, made the only way for me
F#m D E
Made the only way, the only way
